

# Viadrina Summer University 2012

3<sup>rd</sup> June - 21<sup>st</sup> June 2012

## The Culture of Football: Passion, Power, Politics

Football is not only the most popular sport in many regions of the world but also a social, political and cultural mass phenomenon.

In light of the European Football Championship 2012 (in Poland and the Ukraine), the long-standing Viadrina Summer University dedicates an intensive interdisciplinary program to the historical, cultural and social scientific, as well as economic exploration of this phenomenon.

Deadline for applications of international participants and DAAD-scholarships is 31st January 2012.

Deadline for applications of EUV-MA-students: 15th March 2012.
