

# 2024 PhD Viadrilinguistics Summer Workshop

We invite all our fellow colleagues, postdocs, professors and graduate students (PhD and MA) to participate in this year's Viadrilinguistics Summer Workshop. We want to celebrate and spread the ongoing research undertaken by our postgraduate research community.

## Programme

11:00-11:10 Introduction to the workshop

11:10-12:40 **Panel I: Multimodal and posthumanist approaches to language**

Fernanda Roque: The coming out experience through the lenses of Interactional Linguistics

Paloma Batista Cardoso: Negation in Brazilian Portuguese: A multimodal approach

Marlén Jacobshagen: Posthumanistische Linguistik. Kommunikative Praktiken zwischen Menschen, Tieren und Maschinen

12:40-14:00 *Lunch break*

14:00-15:30 **Panel II: Language and migration**

May Rostom: Trajectories of Arabic Acquisition and Use during Onward Migration from West: A Methodological Discussion on Data Analysis and its Organisation

David Pappalardo: Biographical and literary experiences of languages: multilingualism in novels

Didem Lelebici: AI voice assistants as linguistic authorities in multilingual contexts

15:30-15:45 *Break*

15:45-16:45 **Panel III: Meaning and interpretation of words**

Kateryna Pilyarchuk: Food metaphors: What are they doing in Vogue?

Galyna Orlova: Ukrainian words in use: How subjective can word meaning be?

16:45-17:00 *Break*

17:00-17:40 **Panel IV: MA Students**

Alessio Massa: Mehrsprachigkeit aus soziolinguistischer und didaktischer Perspektive

Mario Antonio Tuccillo: Topic Management in the Context of an Intercultural Online Game

17:40-18:00 Closing words

18:30 *Dinner (self-payd, please bring cash!)*
